Come to Me

Intro: **D G Bm G**

D G
I have despised my crown, I chose to place it down
Bm F#m F#7
running to catch the wind

D G
Feet bruised and blistered now from chasing shadows around
Bm F#m F#7
a maze of empty promises

Bm
Am I still within your view
F#m F#7
Have I gone too far

D G Bm G
for You
D G Bm G
to come to me

I see through broken glass a world of innocence past
Can you take me back to Eden
I've traded truth for lies, I've got no alibi
no excuses to remove this blame

Bm F#
Will you leave me here alone in my kingdom on my throne
A F#m F#7
I need a mutiny

Still you come to me

D
Why would you come to me
Bm
Why would you come to me
D
Why would you come to me
