CRAZY

Bm **E** **Bm** **E**
I'm giving myself away to get what I cannot lose
Bm **E** **F#m** **B**
You probably think I'm strange, but that's okay by me

Bm **E** **Bm** **E**
Every seed must die in order find new life

Bm **E** **F#m** **B**
I'm giving up all my rights, they're buried in the ground

CHORUS:

A **Em9 F#m** **B**
You can say I'm crazy, and lost in a dream
A **Em9 F#m** **B**
But this kind of crazy could be just what you need

Bm **E** **Bm** **E**
I've got something worth dying for, a passion for living truth

Bm **E** **F#m** **B**
Tell me what are you dying for? You might be crazy too

– REPEAT CHORUS –

Bridge:

F#
Tell me what are you living for
A **E**
Don't you think there could be so much more
F# **B**
Come on and lose your mind with me
