FOR ME

C#m **F#m** **B**
This isn't what good feels like, what about those promises
Cdim5 **C#m**
For joy, for peace, for heaven's sake, while the curse is creeping

F#m **B** **Cdim5** **C#m**
Trying to strangle flesh and bone, I can't help but feel alone,

have you forgotten me, could it be

F#m **A**
That I've forgotten you

CHORUS:

E **F#m**
If you are for me, what can stand against me
A **E**
Help me to believe that you're for me

C#m **F#m** **B** **Cdim5** **C#m**
So am I willing to believe Your ways are higher than my own
F#m **A**

I can't deny my pain but I won't deny You

REPEAT CHORUS:

Bridge:

B **Cdim5** **C#m**
Lord you know just how it feels
F#m
To have your heart broken
A **Am**
Cause you were broken for me

DOWN CHORUS:

E **C#m**
If you are for me, what can stand against me
F#m **B** **Cdim5**
Help me to believe that you're for me
C#m **F#m**
If you are for me, what can stand against me
A **E**
Help me to believe that you're for me
