Intro:

Emaj7 C#7

G#m C#m
There were chains on me, chains I could not see
F# D#m
Wrapped around my bones caging up my soul

G#m C#m
I have none to blame, I gave my freedom away

F# D#m G#m C#m F# D#m
When I took and ate the fruit of my pride

G#m C#m
But you love me so, and could not watch me go

F# D#m
You went to sinner's tree to bring me liberty

G#m C#m
On that rugged cross, with blood and water drops

F# D#m Emaj7
Your wounds have paid the cost to set this captive free

CHORUS:

G#m
I am free
C#m
I am free
F#
Free
D#m
You set me free
