HOME SWEET HOME

A **B**
I see a glimpse of you, in the curve of the moon
A **B**
In the sun, in the stars, in the gravity of love

A **B**
But it's getting hard to see it, this curse is killing me it's
C#m **B**
Stinging me, bringing me down to my knees

F# **F#**
How long will this be, how long 'til I can see

CHORUS:

E G# A
My home sweet home
E

Yeah, I'm on my way

F# A
Closer every day

E G# A
Home sweet home

E
You've always held my heart

F# A
Bring me back to the start

B
Back to the start

Uproot the fences here, they keep me trapped in fear
Without love, without much of anything left to give

I used to love out loud, I used to scream it out
Without shame, without shame
Naked and unashamed in a...

---REPEAT CHORUS---

Bridge:

C#m C#m/B C#m/Bb C#m/A
Why did I – Why did I – ever leave you?
C#m C#m/B C#m/Bb C#m/A
I wish I – I wish I – Just believed you
