## YAHWEH

**C#m A E A**

Empty space, vast and void

**C#m A E A**

Breath of God, at the dawn

**C#m A G#m F#**

You've always been, you will remain

*CHORUS:*

**E/G#**

*Yahweh*

**A**

*Yahweh*

**C#m B**

*Yahweh*

**C#m A E A**

With one word, the universe

**C#m A E A**

From your mouth came the Earth

**C#m A G#m F#**

Almighty God, who compares

– REPEAT CHORUS –
